PARISH COUNCIL.

RE:(SKIPS FOR GARDEN RUBBISH).

As residents are, or should be, aware, a refuse skip is provided by the Parish Council behind its Maintenance Headquarters' for dumping garden refuse only. Unfortunately, this facility is continually being abused in that other types of rubbish are being placed in the skip, and indeed in the surrounding area when the latter is full e.g. bedspreads, washing machines, waste building materials etc..

We have frequently pointed out that the skip is only intended for garden waste and NOT for other refuse. South Cambridgeshire District Council provide the required alternative facilities including FREE collection of large items (See below).

The Parish Council's requests and warnings, however continue to be ignored. Recently, also, we received a letter of complaint from the County Education Dept. concerning the state of the refuse area and the danger to children.

We have therefore decided that:-

UNLESS THE SKIP IS ONLY USED FOR GARDEN REFUSE AND SUCH REFUSE IS PROPERLY DUMPED I.E. NOT CARELESSLY DEPOSITED IN THE SURROUNDING AREA, THIS FACILITY WILL BE COMPLETELY WITHDRAWN WITHOUT FURTHER NOTICE.

Our reasons for taking this decision are as follows:-

1. The refuse area has become a health and safety hazard.
2. The costs of providing this facility are far in excess of what was expected owing to the large volume of unauthorized rubbish and the manner in which it is dumped.
3. Due to this unauthorized use, it is often impossible to use the skip for the proper purpose.

If you wish to retain this facility, please use it only as intended and ensure that others do the same.

D.T. Lindsay,
Chairman,
Bar Hill Parish Council.

NOTE:- For FREE removal of large items of household and other types of rubbish please telephone:-

HISTON (9823) 2504.

PARISH COUNCIL NOTES.

The monthly meeting of Bar Hill Parish Council was held on Tuesday 19th June in the Green Hut.

RUBBISH SKIP.

There was a lengthy discussion concerning the skip behind the farmhouse which is hired and financed by the Parish Council for the benefit of all villagers. This skip is intended for garden rubbish only, but the Council has noted that large items of household and building rubbish are continually being dumped in the skip. If this facility continues to be abused in this manner the Council will have no option but to withdraw it without further notice. Please see the statement by the Chairman of the Parish Council which also appears in this edition of the 'News' for a full explanation of the Council's policy on this matter.

SALE OF FREEHOLDS.

The Parish Council apologises to purchasers of freeholds for the long delays in the completion of freehold transfers. These originate from the Land Registry and are beyond our control, although we are writing to the Land Registry expressing our strong dissatisfaction at the current situation and asking for the transfers to be dealt with more promptly in future.

The Council also regrets that at present it is still unable to offer freeholds of premises in Hollytrees for sale, as negotiations with the developers are still in progress. However, every effort will be made to expedite matters and Hollytrees residents may be sure that their freeholds will be made available to them as soon as possible.

LOW FLYING AIRCRAFT.

The Council is concerned by the number of aircraft flying over the village and especially at the low level of their flight paths. The Clerk will be contacting the Commanding Officer at the base from which they originate to make the Council's feelings known.

HEALTH CENTRE.

Several complaints have been received from villagers over long waits before a doctor's appointment can be obtained. A member of the Council is to visit the Health Centre to discuss the matter and see what can be done to improve the present state of affairs.

BANK OPENING HOURS.

The Council understands that within the next few weeks it is hoped that the bank in the Mall will be open for five days each week instead of four as at present.

TELEVISION PROGRAMME.

The council is very pleased to announce that Anglia TV is to make a programme about Bar Hill, probably to be transmitted about September. Filming in the village will take place throughout the summer, and will include interviews with residents and film of the Village Hall opening on September 8th.

The next meeting of the Parish Council will be on TUESDAY 17TH JULY AT 8.00 P.M. IN THE GREEN HUT. All villagers are welcome to attend.

" BAR HILL NEWS"

Dear Sir,

Lolworth

Lolworth Church is an object of true local historical interest; the walk there, given some dry weather, is a very pleasant little afternoon's excursion.

Could anyone please supply a version of the old Right of Way to Lolworth, from the sign-post on the perimeter road, across the fields, that would respect the farmer's rights also ?

Yours sincerely,

W. Gribbin. ✓

CHESS CLUB.

This year there has been a real change in the club's fortunes. Several new players were recruited at the beginning of the season enabling us to field two teams. While the 'B' team followed the club's tradition by coming bottom in the Cambridgeshire League, the 'A' team has been very successful. We will probably finish joint runners up in the Cambridgeshire League.

In the Cambridgeshire Club Knockout we reached the final and faced a Cambridge University team who should have outgunned us on all boards. In fact the score was $2\frac{1}{2}$ each. Only because they won on the higher boards were the University awarded the match.

The high point of the season however was winning Div. 11 of the Huntingdon and Peterborough League with a 100% record. The 'Jack Frost Trophy' awarded for this League is on display in the 'Fox'.

Just to round the season off we travelled to the Peterborough Jamboree which we won last year with a score of 5 out of 6. We went one better this year by winning the event with 6 out of 6.
